LOCATION

V údolí horného Turca, pod juhozápadným výbežkom Veľkej Fatry leží kúpeľné mesto Turčianske Teplice. Malebná krása skalnatých končiarov, holé grúne neďalekých Lazov a severné svahy Kremnického pohoria vytvárajú krásne okolie, plné možností na poznávanie prírody a jej krás. Turčianske Teplice boli oddávna pre svoju polohu, ale najmä pre vysokú liečivú silu prírodných prameňov strediskom návštev domácich i zahraničných hostí.

Turčianske Teplice patria medzi najstaršie kúpeľné mestá Slovenska.

In the valley of Upper Turiec, below the southwestern outcrop of the Great Fatra lies the spa town of Turčianske Teplice. The picturesque beauty of the rocky peaks, the bare shells of nearby mountains and the northern slopes of the Kremnica Mountains create beautiful surroundings, full of opportunities to explore nature and its beauties. Turčianske Teplice has long been a center of visits for domestic and foreign guests due to its location, but especially due to the high healing power of natural springs.

Turčianske Teplice is one of the oldest spa towns in Slovakia.
